

Instructions for Private Clients

Dear Client,

thank you for choosing the service of our laboratory. We will analyse the supplied biological material according to your request. These instructions describe all the necessary procedures you are required to do.

Blood sampling:

If you do not already have your blood sample, please go to building 10 (room Odběry) and ask nurses to take a blood sample from you. You must pay for this procedure.

Sample analysis:

Please, bring your sample here (building 22, 2nd floor, sample reception), a request form will be given to and you will have to complete it in with the help of laboratory assistant. You will need your ID card. If you already have a request form from your doctor, you do not need to fill in any further request form.

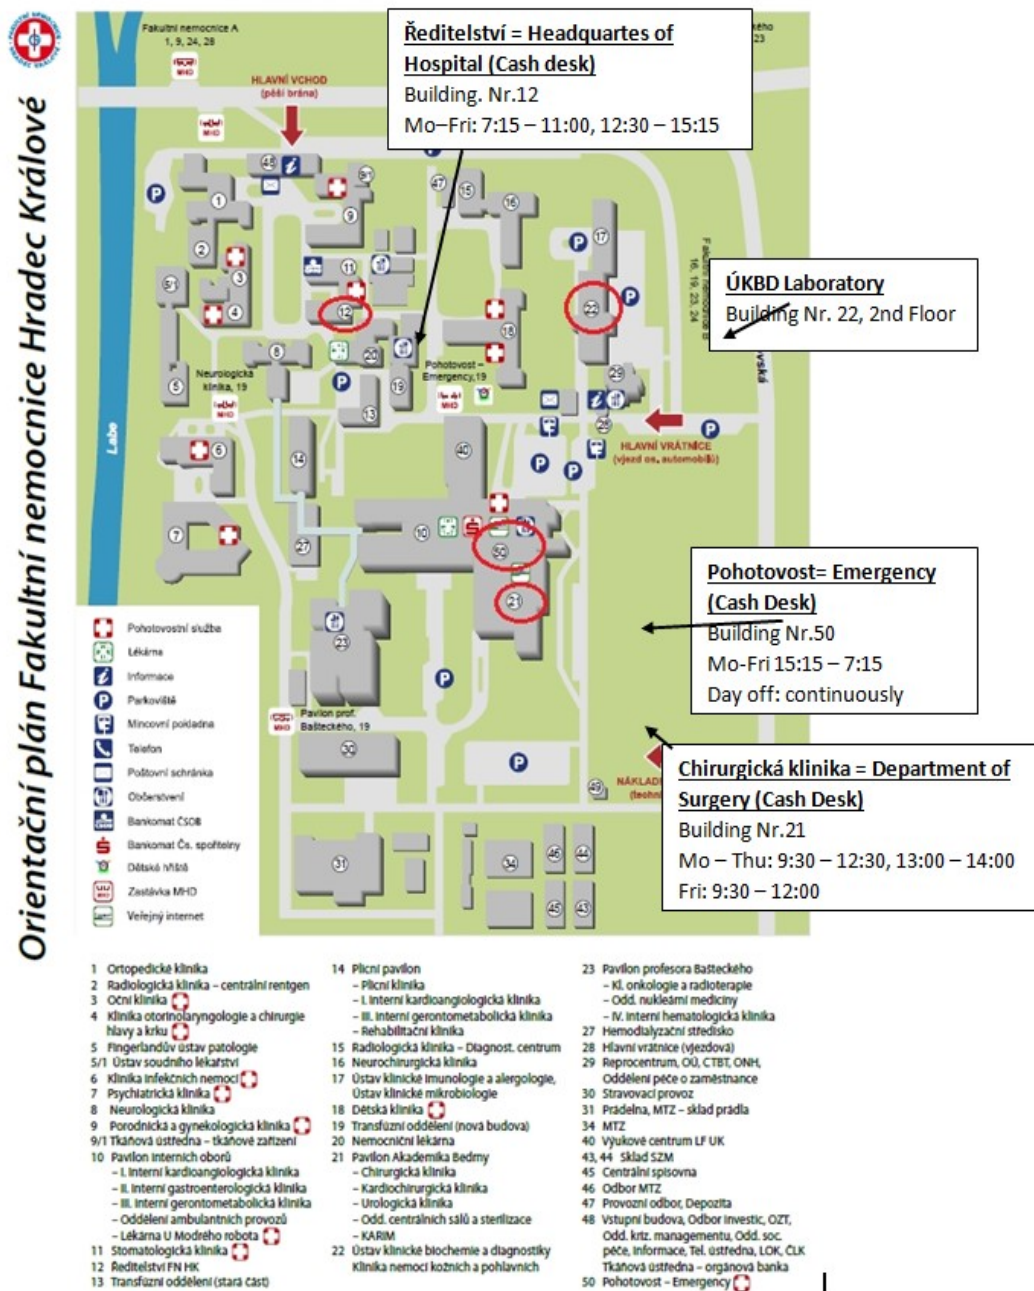

When the request form is filled in, it will be processed by a lab assistant and you will obtain an invoice. This invoice must be payed at a cashier desk, please see enclosed map. It is possible to pay by cash or card.

When your invoice is payed, please return here (building No 22, 2nd floor, sample reception) and present your receipt. In that moment we will begin to analyse your sample.

The results will be provided to you here after have presented your ID and have given your signature. The analysis time depends on the type of requested test. An laboratory assistant will inform you about the time when your test results will be available.
